

## **Support for Graduate Students**

The Ontario Graduate Scholarship (OGS) program is a wonderful opportunity to attract and support some of the brightest minds in the country, and to maximize the benefits of private sector donations.

Each annual scholarship is \$15,000. The Province of Ontario provides two-thirds of the funding required for OGS; the University must raise the remaining one-third.

Trent has seven graduate programs:

- Anthropology (M.A)
- Applications of Modeling in the Natural and Social Sciences (M.A. or M.Sc.)
- Canadian Studies & Native Studies (M.A.)
- Native Studies (Ph.D.)
- Theory, Culture and Politics (M.A)
- Watershed Ecosystems (M.Sc. and Ph.D.)
- Canadian Studies – Joint Ph.D. program with Carleton University

A minimum donation of \$5,000 will fund one OGS. A donation of \$125,000 will endow one OGS in perpetuity.
